

Donation of a Jeep to Sumner Memorial High School

Steve Belyea would like to request permission to accept the donation of a jeep. It is a four door, V-6 cylinder 1993 Jeep Grande Cherokee with 120,000 miles on it.

The class will use this jeep to learn detailing of the car (clean and polish). We plan to sell it and use the money for a new MIG Spool Gun Unit.

Deborah Ashe Gordon from Sorrento is the Jeep donator.
