## **MARIAVILLE PK-8 SCHOOL CHOICE**

The Regional School Unit 24 (RSU) Board (RSUB) extends school choice as outlined in policy JFBB to the Beech Hill School (BHS) for Mariaville resident K-8 students only.

This Policy in no way restricts the Superintendent from ensuring that the RSU remains in compliance with any/all provisions of the Every Student Succeeds Act (ESSA), as well as all other state and/or federal laws, that may require RSU students attending BHS to attend an RSU school in order to obtain any services that that he/she considers are in the best interest of the student and the RSU at the least possible cost.

The Superintendent will ensure a Contract is in place that covers how the RSU and the Otis School Committee will work together relating to RSU students attending the BHS.
