

## **Pepsi Grant for SMHS Scoreboard**

The contract that David Bridgham reviewed and approved with Pepsi will provide us with \$7,500.00 for the purpose of purchasing a new scoreboard for the Soccer and Softball fields. This contract extends our current Pepsi contract with the Booster Club and Food Service programs at Sumner. There is a proposal to put a small Aquafina (a subsidiary of Pepsi) on the new scoreboard representing our contract with Pepsi, however, this is not a requirement.
